NOTES: What a great way to end a quiz year--a competitive and fun day! This year at least 9 churches made up our 16 teams. We had 2--5th graders, 3--6th graders, 9--7th graders, 11--8th graders, 10--9th graders, 7--10th graders, 7--11th graders and 8--12th graders. This is the most Seniors we had in a long time. We will miss you all. Hopefully, many of you will come back and help with the league next year. All of you have played an important part in helping each other to grow in knowledge of Scripture and in relationship to God!!! What an important role that you are playing in each others lives!! Work hard for Chicago, pray for our representatives who will attend the Ohio Tournament over Memorial Day Weekend and start looking ahead to LUKE (next year's material)!!! God bless you all!!!

CHAMPIONSHIP QUIZ: We cut right to the championship today because 3 teams had really established themselves. The Transformers, the Beavers and Pistis--3 teams from different churches in the league--met to determine our second half championship and what a quiz it was!!! ANDREW BROWN of the Transformers got the first two questions. NICK ESHELMAN of the Beavers got #3. Pistis then went crazy, getting 3 out of 4 jumps right. Going into question #8, the score was 60--Pistis; 40--Transformers; 20--Beavers. With half of the quiz left this was still anyone's quiz or that was what we thought. The Transformers had a different thought. They went on the attack and ANDREW BROWN answered questions #8 and #10 and MEGAN WILSON added #11 and #14 to pull away and claim their championship!!! Final Score: 120--Transformers; 80--Pistis; 40--Beavers. Congratulations to all teams for a fine day of quizzing.

ALL STAR TEAMS AND QUIZZER OF THE DAY: There can be no question who the quizzer of the day was. The individual, making their first entry into the esteemed group known as Honorary quizzers of the day, did not hurry to this honor. He saved the best for last. This was his last quiz day in the league. ANDREW BROWN had a rate of 67.5 on the day and most importantly came on and answered 4 questions in the championship quiz to secure the win for his team, the Transformers. Way to go Andrew. A quick perusal of the Individual Statistics will show the great quiz day that so many had, especially those fighting for some of the top spots.
