NOTES: It was a wild day of quizzing at our First Half Finals!! Read about the fun events of the day below and scour the rate sheet for interesting numerical trivia. Most importantly, get ready for the new half. We are starting with just the first chapter of Philippians! There are two things that you should do to get ready. 1) As a church, commit to draw new people onto your team. You may spread out and have more teams. This will help you because you will have more people to practice with and the more people there are, the more fun you will have. 2) As an individual, set a goal for yourself for the second half. Maybe you want to be average a frozen chair every quiz (a rate of 60), set this as your goal. This is a good goal if you finished with a rate over 40. Maybe you want to average 2 questions a quiz (rate of 40), This is a good goal if you averaged 15 points to 40 this half. If you averaged less than 15 points per quiz, shoot to average 1 question per quiz (rate of 20). You are always free to set higher goals. Commit yourself to grow in your knowledge of the Bible and your ability to know and serve God better!

SEMIFINAL QUIZ: With the Outsiders waiting in the wings for the top two teams. FUMC, Sandy Lake Wesleyan Pistis and Bethel Presbyterian Transformers were matched up with a chance to go to the 1st half championship quiz. This was a competitive quiz. Pistis and the Transformers started quickly. Going into question #13, Pistis had 70 points and the Transformers had 60. Wooooaah! The Transformers jumped hard on 13 but missed it. They were both content with their placings--FUMC answered the last two questions of the quiz. Transformers and Pistis advanced to the "BIG" quiz. Final score: Pistis--70, Trasformers--60, FUMC--40.

CHAMPIONSHIP QUIZ: Everyone knew that the Outsiders have owned the championship quizzes this semester. They have won every one. What an exciting ending to the first half--3 excellently matched teams. The Outsiders jumped out quickly, with RENEE BANTING freezing her chair on question #7. The score was 60 (Outsiders) to 40 (Transformers) to 20 (Pistis). The Transformers used a balanced attack--all 3 of their quizzers answered questions to put them up 100-60-40 on question #12. Going into #13 all 3 teams could still win the championship quiz. BECKY OTIS (Pistis) froze her chair on #13 to uphold their end of the bargain. All 3 teams could still win--what excitement--what drama! JOE BERG pulled out the quiz for the Transformers by answering #14. The Transformers claimed the first half championship! A great victory! Congratulations, MEGAN WILSON, LEIGHANN GWIN, and JOE BERG. Final Score: Transformers--120, Outsiders--80, Pistis--60.

ALL STAR TEAMS AND QUIZZER OF THE DAY: BECKY OTIS is our QUIZZER OF THE DAY!!! BECKY had a great day, leading her team into the championship quiz. She was solid in all of her quizzes and is deserving of this special honor. She has become a better quizzier all half. Congratulations, BECKY!

First Quiz of the 2nd Half--January 9 at New Wilmington Presbyterian Church over Philippians 1 (only)
